Russell E Lewis : Collectible Fishing Lures (Warman's Companion) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Collectible Fishing Lures (Warman's Companion):

0 of 0 people found the following review helpful. Lure Collecting By Mary Eve Purchased for my dad for Xmas and it's a smaller sized book than most, about 5x7. A very nice addition to his lure and book collection. I had no idea some of

the books were as prized as the lures themselves. This isn't the most in depth collector's book but contains enough for an experienced collector to appreciate. Lewis has been a collector for over 50-years and offers history and how-to information for those looking to get started. 750-color photos with plenty of detailed lures. This book was published in 2008 so may not be as up to date as other versions. However, it's a nice size to carry with you when lure hunting in flea markets and antique shops. Either way, lovely book and my dad is satisfied with this addition. 0 of 0 people found the following review helpful. Five Stars By mudmangood book 0 of 0 people found the following review helpful. Good starting place. By Tim M. Beets A starting place to learn about the hobby of collectable vintage lures. You will have to invest in more complete books on this subject which cover far more items. Author is very knowledgeable and it has great color photos.

Get hooked on one of the oldest of all collecting hobbies with this go-to-guide of fishing lures. A great pick-up-to-peruse type of book, built for toting to shows and antique shops, this lure reference aids you in your effort to accurately identify, price and better understand the history behind vintage and modern lures from 31 manufactures, starting with the Big Six (Heddon, PawPaw, Creek Chub, Plueger, Shakespeare and South Bend).
