review helpful. Returned the book By Karen Kruzell was misled to believe this book contained Happy Meal toys from 1999 when, in fact, it only had the first couple promotions from 1999. If you are looking for a guide to pre-1999 Happy Meal toys, this book has great pictures, descriptions and price guidelines. Also has a good section on foreign Happy Meal toys.

McDonald's Happy Meal toys are everywhere--at yard sales, flea markets, the McDonald's just around the corner, even in your toy box. This colorfully illustrated guide presents the toys distributed by McDonald's fast food restaurants in Happy Meals boxes in over 250 full color photos, organized chronologically, along with current values, check-off boxes to help you record and organize your collection, a section on international McDonald's Happy Meal toys, and a comprehensive index. So, follow the author's collecting trail to fun; see how many different McDonald's Happy Meal toys you can round up!
