Jeffrey B Snyder : Collecting Oyster Plates (Schiffer Book for Collectors) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Collecting Oyster Plates (Schiffer Book for Collectors):

5 of 5 people found the following review helpful. Collecting Oyster Plates By Jessiedog As a new collector of oyster plates (and as a ceramic artist who wishes to design some of her own) I was looking for lots of illustrations of the various styles of plates. I also wanted pictures representing plates appearing in each time period since these plates became popular. I was also very interested in price ranges, though I did not expect to find that information in this book. The book supplied everything I was looking for, including price ranges. Good bargain, good information, great and fast service from as usual. 0 of 0 people found the following review helpful. Not much of a selection out there so it's fine but I wouldn't buy it again By Jackie Cole Book is ok, bought one for myself and one as a gift. Not much of a

selection out there so it's fine but I wouldn't buy it again.0 of 0 people found the following review helpful. This was a gift for my wife and she enjoyed it very muchBy Phillip L. PierceArrived in described condition. This was a gift for my wife and she enjoyed it very much.

Oyster plates, platters, and servers produced in porcelain, majolica, faience, English ironstone, and French stoneware are displayed in over 475 beautiful color photographs. Ranging from the elegant to the everyday, these plates date from the mid-nineteenth through the late-twentieth century. The informative and interesting text includes histories of the major oyster plate manufacturers (including Minton, Wedgwood, Haviland, and the Quimper potteries, among others) whose wares are on display. Also included are an examination of manufacturer's marks, a discussion of the ceramic and glass oyster plate forms and decoration, current market values in the captions, an extensive bibliography, and an index.

About the AuthorJeffrey B. Snyder is an experienced writer, editor, and public speaker. He has discussed antiques on radio and television alike. He has appeared several times on Martha Stewart Living and was recently seen on WHYY TV's PBS special Philadelphia: Workshop of the World
