Four StarsBy Aaron DeRoyvery valuable information0 of 0 people found the following review helpful. book of yo-yo values and descriptionsBy Shirley Langloysas a collector of yo-yos, I have really enjoyed this book. It is full of information, great illustrations and price information. Very well done.

Bounce back to the carefree childhood days when you spent hours with your yo-yo learning to "walk the dog" or go "around the world." Yo-yos of many companies, decades (from the 1930s onward), and designs are displayed along with yo-yos that shriek, whistle, and spark. Whether you prefer wood or plastic, butterflies or teenies, Duncans or Whirl Kings, here you will find the yo-yos that you like best in over 275 color photographs. Also, yo-yo championship patches, tricks books, and trophies are displayed. Brief histories of several yo-yo companies such as Cheerio, Duncan, and Royal are provided. Methods are explored for roughly determining a yo-yo's age, through inscribed zip codes and patent numbers. Current market values for each and every yo-yo are found in the captions.

About the AuthorJames Dundas has been collecting toys for many years. When he is not out searching for the next yo-yo, he writes about the toys he collects.
