Christopher Henry Perkins : Collectors' Coins: Great Britain 2016: British Pre-Decimal Coins 1760 - 1970
before purchasing it in order to gage whether or not it would be worth my time, and all praised Collectors' Coins: Great Britain 2016: British Pre-Decimal Coins 1760 - 1970:

1 of 1 people found the following review helpful. Easy to read andBy Thomas ByrneEasy to read and, more sensibly that preceding editions, begins at the start of George III's reign and not in the middle. Good images and numerical information, as usual with Perkins' works.

British coins, their values and varieties, 1760 - 1970. CCGB2016 contains more variety details on British coins than any other publication. With comprehensive listings of all British coins from the fractional farthing to the gold Five

Pound coins, including all guineas and their fractions. Varieties are listed and described in detail, accurate market values in up to five states of preservation and yearly mintage numbers. It includes the usual wealth of information about the coin weights, sizes and designers. The publisher believes this to be the most detailed and coverage of the subject matter available.
