A Great Source of InformationBy A CustomerI really enjoyed this book, it was full of interesting information on beanies. However, I was a little dissapointed that it did not go into detail about "How to Spot Fake Beanies" and also it did not have the new beanies. But overall, it is a great source of information and the pictures are sharp and vivid. A must have for beginners.

If you need to keep up with Ty Inc.'s Beanie Babies, then this is the handbook for you! Our seasonal updates are bursting with the latest information and secondary market values for the fastest-growing collectible in the country. The Value Guide has it all - giant color pictures of the entire collection including Teenie Beanies, variations, tag information, and the top ten most valuable Beanie Babies. This season's Value Guide also offers sections on Beanie Buddies, Sports Promotion Beanie Babies, and a Beanie Babies Collectors' Checklist.
