I like to send PC's that I wouldn't mind getting myself and these fit the bill perfectly. They are over-sized and need a regular first class stamp. The only downfall is that they are on the thin side. But I would still purchase them again.1 of 1 people found the following review helpful. Postcard BookBy Dianne MomonI am in a postcard club and a lot of the members love wildlife, this book was excellent, all of the cards were intact and they are very colorful, thanks so much, I will order from this seller again0 of 0 people found the following review helpful. Five StarsBy Noreen GabbayAll the pictures are wonderful. I like it very much.

Features 20 spectacular color photographs of wildlife in the Centennial State, from elk and antelope to marmots and black bears.

From the Back CoverFrom its snowcapped peaks to its white-water rivers and extraordinary canyons, Colorado is home to hundreds of species of animals. The majestic golden eagle, the bugling elk, and the industrious beaver are among the twenty animals celebrated in these beautiful postcards. Each postcard is yours to treasure, to share, or to send.
