**Jon B Haussler : Griswold Muffin Pans (Schiffer Book for Collectors)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Griswold Muffin Pans (Schiffer Book for Collectors):

0 of 0 people found the following review helpful. Five Stars By Donna Eggleston Got it for my husband for Father's Day and he loves it 0 of 0 people found the following review helpful. Very helpful, if a collector By Customer Beautiful, old cast iron 1 of 1 people found the following review helpful. Griswold By Cynthia Carey Love this book so helped me when I was selling and valuing my cast iron collection... The book has tremendous information and details on most all of Griswold and other cast iron. It will help you identify your cast iron and also the value of the item.

The startling range of muffin pans produced by the Griswold Manufacturing Company from the late nineteenth century through the 1950s is covered in detail in this fascinating guide. The author provides more than 235 photographs of muffin pan designs and computer graphics depicting 226 pan variations. All the pertinent details necessary to identify Griswold pans are provided, in addition to the names, numbers, pattern numbers, dates of

production, and comparative rarity of each pan. Also included is a brief history of the company, the evolution of Griswold's muffin pans, and details from Griswold sales catalogs. Prices are provided in the text for every pan and variation listed. "Collecting Griswold muffin pans is enjoyable, affordable, challenging, somewhat mysterious, and addictive," says the author, who has been seeking out cast-iron for more than half a decade.

About the Author Jon B. Haussler has been collecting cast iron for years; Griswold muffin pans and their variations are his passion. Mr. Haussler lives in Alabama.
