**R. S. Yeoman : Guide Book of U.S. Coins-85 Red (Guide Book of U.S. Coins: The Official Redbook)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Guide Book of U.S. Coins-85 Red (Guide Book of U.S. Coins: The Official Redbook):

0 of 0 people found the following review helpful. Perfect BookBy Wilson W. KwongVery informative guide book so history of the various coin values can be retrieved. I often find this extremely useful for my determination of buying and/or selling values. In addition, with the up-to-date coin values listed, I can deduce what is worth to collect. I pretty much collected each year's guide book. When you are a coin collector, this guide book is a must have item. Strongly recommended for all the US coin collectors.
