**DK : Gun: A Visual History** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Gun: A Visual History:

0 of 0 people found the following review helpful. This really grabbed his attention By Kathy Ordered this for my husband for his birthday He loves the photos and the stories. These do not usually catch his attention but he had browsed this at a store and then talked about how he should have bought it on his way home. He is 582 of 2 people found the following review helpful. Good pictures By Tessa L. A good book with plenty of pictures. I got this for my 8 year old son who loves weapons. I wish it showed more of the modern guns, this is mostly the real old stuff, but I think he will enjoy it. 1 of 1 people found the following review helpful. Not much more than a picture book By Wilbur I was a little disappointed in this book in that it leaves out a lot of details, and I feel doesn't really cover the guns that changed the game throughout history. As a picture book it's OK, but if you want real history of firearms look elsewhere.

From rifles to sniper guns, machine guns to grenade launchers, Gun: A Visual History is a fully loaded guide to over 300 of the most important guns from the last 700 years. Perfect for anyone interested in firearms, Gun: A Visual History has revealing features on twenty 'key' guns from history, including the Musket, Gatling Gun and AK-47 assault rifle. Step inside famous gun maker factories, from Colt and Smith Wesson to Beretta and discover how guns were — and still are — developed and produced. Meet famous gunslingers and legendary sharpshooters from Dick Turpin and Billy the Kid to James Bond, hear their stories and learn about the guns that made them famous.
