Always interesting stories, informative info, etc. Just wish I had looked in years ago. Much cheaper than book stores.0 of 0 people found the following review helpful. Classic reference book on firearmsBy R. M. K.Classic book that comes out every year. Good reference book but it could be a little more detailed.0 of 0 people found the following review helpful. Five StarsBy Cheryl WrightInformative book and good data provided.

The 72nd edition of the world's greatest gun book! For more than 70 years, Gun Digest has been the number one go-to

source and research guide for firearms enthusiasts worldwide. Informative and entertaining articles by the top writers in the field cover every aspect of the shooting sports including hunting, personal defense, target shooting and collecting. Historical articles provide a look back at the role played by firearms in the history of our country and the greatest gunmakers of the 19th and 20th centuries. Reports from the field provide details on all the new firearms and accessories. And we present our annual photo essay spotlighting the work of our finest custom gunmakers and engravers. Gun Digest is the most comprehensive collection of firearms information in print today! It's all here!
