Harold A. Murtz : Gun Digest Book of Exploded Firearms Drawings: Third Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Gun Digest Book of Exploded Firearms Drawings: Third Edition:

0 of 1 people found the following review helpful. Excellent condition, Super fast shippingBy Michael H. HowellI am usually very reluctant to order used items on line but I have not been able to locate an exploded view of the guns I have at any of the recent gun shows and I sure didn't want to buy new. The price was cheap enough that I was willing to take a chance, Let me tell you the book arrived in 3 days and was in such good condition that if it hadn't had a used book sticker on the back of it I swear no one would have ever know I didn't just buy it.0 of 1 people found the following review helpful. Five StarsBy Ed S.Reference book. I need it.0 of 1 people found the following review helpful. Five StarsBy DKUGUN DOGEST ALWAYS GREAT

A revised directory of manufacturers, distributors and sources features in this reissue of the third edition of this aid to manufacturers, repairers, dealers, users and collectors of firearms. The drawings feature over 400 items - shotguns, handguns and rifles.
