From Gun Digest Books : Gun Digest Illustrated Guide to Modern Firearms before purchasing it in order to gauge whether or not it would be worth my time, and all praised Gun Digest Illustrated Guide to Modern Firearms:

5 of 5 people found the following review helpful. excellent reference book By fernando_porto This is an excellent reference for gun and weapons lover. I also have airguns, and the last chapter is only for airguns. Lots of great illustrations and tons of good information. 0 of 0 people found the following review helpful. Ok By Master This book is OK and is not worth the price and the entire book is not color. It is not completely extensive by any means 0 of 0 people found the following review helpful. One of the worst books I've seen By virgilio pellandini Series of pictures with no text or tech details. One of the worst books I've seen.
