**Charles Chapel : Guns of the old West, Special Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Guns of the old West, Special Edition:

1 of 1 people found the following review helpful. Nice historical volume! By Kindle Customer For anyone interested in the firearms of the old west they must read this book! It is both informative and interesting, with small stories and anecdotes throughout. 0 of 2 people found the following review helpful. Cheaper Than Most Recent Edition Offered Thru Email. By Wayne A. Duszczak I have to admit the content of this book may be good, but I took a good look when it arrived and the old drawings and pictures did not grab my attention. Text is small too. I put it down and just picked it up for this review. Buy this book here as it is expensive if purchased in its latest edition. A hard core collectors reference no doubt most guns in this book are unobtainable unless bought from a collection for a lot of money. 0 of 2 people found the following review helpful. Excellent book. NRA leather-bound. By How hard can it be? Excellent book. NRA leather-bound.

Covers the history of guns and how they began, as well as the history of guns in America, specific gun makes and models, and the progression of gun manufacture in the US.
