**Keith Hancer : Hancer's Price Guide to Paperback Books** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hancer's Price Guide to Paperback Books:

Third edition. "All mass market paperback books published in the United States between 1939 and 1959" inclusive, some to 1965, with some Canadian books. Listed by publisher's series and number, each with prices for "very good," "fine" "near mint." Small illustrations of covers throughout text. Author index. xlv, 353, 3 pages. stiff paper

wrappers.. large 8vo..
