Lords Commissioners of the Navy : Handbook of British Bayonet Training for His Majesty's Fleet 1921 before purchasing it in order to gage whether or not it would be worth my time, and all praised Handbook of British Bayonet Training for His Majesty's Fleet 1921:

An edited facsimile copy of a handbook issued to British naval officers in the 1920's for the training of sailors in the use of the rifle and bayonet. With over 29 black and white plates and added period photographs. Rare addition for the student of British naval history and collector of British military bayonets.
