Also having a hard time enlarging some pages on tablet and keeping them ledgible0 of 0 people found the following review helpful. Important collection of Catalogs produced by HeddonBy Julie A. ThemThis isn't for the casual collector. Heddon's catalogs are a series of publications over 50 years that encompass collectable vintage lures. Your library isn't complete without out it if you re a serious collector.0 of 0 people found the following review helpful. This is a nice collection of reproduced advertising from early Heddon catalogsBy iCyberhallThis is a nice collection of reproduced advertising from early Heddon catalogs.

Great for the vintage fishing tackle collector. Fun to look thru and gives good reference material.

Heddon - the very name defines the world's most collectible fishing lures and Clyde Harbin, "The Bassman[trademark]" - the world's authority on Heddon lures. Put them together in one volume and start reeling customers in! This update to the highly sought-after James Heddon's Son's Catalogues, assembled by Harbin in the 1970s, includes thorough coverage of Heddon catalogues dated 1902 to 1953. These Heddon catalogue covers and pages are prized by collectors and illustrate the stories of the early Heddon lures. Hundreds of full-colour catalogue photos are displayed.

About the Author In fishing circles, Clyde Harbin Sr. is known simply as "The Bassman." He is the world's preeminent authority on Heddon lures-the most collectible of all fishing lures - and formerly owned one of the largest and most important fishing lure and tackle collections in the world. Harbin, a Southern fishing and collecting legend who has also written Heddon Footprints, a book detailing the history of the Heddon family, and contributed to Luckey's Old Fishing Lures Tackle.
