Chauncey Jerome : History of the American Clock Business for the Past Sixty Years; And Life of Chauncey Jerome (1860) before purchasing it in order to gage whether or not it would be worth my time, and all praised

History of the American Clock Business for the Past Sixty Years; And Life of Chauncey Jerome (1860):

0 of 0 people found the following review helpful. Good book for fans but make sure you know what you are buyingBy Donna L. PerryYou have to know what is in this book before buying. Print is faded and hard to read in many places.2 of 2 people found the following review helpful. A fascinating look into the pastBy Florida ClayIf you love clocks, or would just enjoy a peek into the early 19th century, you will enjoy this book. Chauncey Jerome was a major player in the early days of American clock making and knew most of the other early players. He led a roller coaster life from poverty to wealth and (with the "help" of P.T. Barnum) back to poverty. It is an easy read written in a conversational voice--well worth the few hours it will take to read through it.0 of 0 people found the following review helpful. Five StarsBy William OlsonInteresting history of Chauncey Jerome.

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.
