Jasper Snellings : History: The Light before purchasing it in order to gage whether or not it would be worth my time, and all praised History: The Light:

0 of 0 people found the following review helpful. Inspired! Beautifully written.By RUBY CHAPMANThis book will touch the heart of all who read it. Perfect gift for non-believers. Easy to read and beautiful art work.0 of 0 people found the following review helpful. Let the Light ShineBy Louise DeLucaJasper not only rhymes, he rocks with The Rock!0 of 0 people found the following review helpful. The King is ComingBy Louise D.If you love the Christmas story, are fond of good poetry, and beautiful artwork, this book has it all. It chronicles the traditional Biblical account of Christ's birth, life, death, and resurrection. It is Biblically accurate, written in easily readable poetic form (but no singsong), and has classic artwork that enhances the text of each page. References for the art are beside it so no flipping is necessary. For those with a technical bent, Jasper Snellings, an electrical engineer, includes a chronological diagram with a list of data points that further explain the diagram's labels, and of course, references.This book is so engaging that I shared it with a woman diagnosed with dementia. While she loved reading all her life, her short-term memory loss made reading extremely difficult. However, when she started this book, she was not only able to follow it, she found it so interesting that she finished the book, something she had not done in a very long time. Enjoyable, stimulating, and if someone needs it, good therapy, this book provides multiple joys.

The Light is the third book of the HIStory Book series. It explores Jesus's parables and their in-depth mysteries. This

book is developed from the Biblical writings of Matthew As Jesus teaches His disciples, instructing His chosen few. Since God has called us to be His disciples here on earth, We should study and understand these parables amazing worth! My prayer is that you see the Light as if Jesus were to talk And the Light enhances your faith and comforts your daily walk. God's Light is the hope shining into the world's increasing darkness, And His love fills our lives through His words of infinite truthfulness. In His service, Jasper Snellings.
