0 of 1 people found the following review helpful. Commercial Or NotBy Claudia StrasbaughSome useful info is in this book, well worth its price. In addition the book has a printed link to their website that can be quite useful so long as one handles them carefully.The site you will likely find yourself at offers a brief free trial use of their database only with having your charge card on file there. That's ok, except they only tell you up front about how a month costs, not that they like to automatically bill you a couple hundred dollars up front.Still, if you go online, look for a couple things it can work well. Even if you don't find the data they do try to help you reorganize your searches.Claudia Strasbaugh

Have you ever wanted to contact your favorite celebrities for autographed photos, product endorsements, media

interviews, or charitable donations? Now you can! In this Special Report, Tsufit of "Step Into the Spotlight!" interviews Jordan McAuley, Founder and President of Contact Any Celebrity (www.ContactAnyCelebrity.com). You'll discover how to approach celebrities by mail, in person, and online to get the response you want; how to get autographed photos from your favorite celebrities; how to get celebrity endorsements and testimonials for your products and services; how to get charitable donations from celebrities to raise money for your cause; insider secrets on ways to use celebrities in your business; how to get celebrity book endorsements; how to target celebrities that are the most willing to donate to your cause, charity or nonprofit; how to get past gatekeepers and receptionists; how to make sure your letter gets from the mail room to the celebrity instead of thrown away; plus much more!
