Care and repair are also included. Superb book for any bear fanatic. * Yarnsandfabrics.co.uk *About the AuthorSue Quinn has been designing and making teddy bears and other animals since childhood. After moving to Scotland she developed her range and sold to small shops in the area. She named the business Dormouse Designs, as one of her first creatures was a small felt mouse called Timothy. Her collectable bears are now so sought-after that Sue's work can be found in teddy bear museums in Britain, Japan and collections worldwide.
