0 of 0 people found the following review helpful. exactly what I was looking for By Goldenflight I have a shoebox of my great grandmother's keepsakes and these cards almost belong in there with the old time treasures. These cards are in fact postcards, exactly what one would desire if you want to recreate the flavor of our past. 3 of 4 people found the following review helpful. Postcards, not cards By K. Ward These are postcards, not cards. They are cute and would be nice if you are looking for Valentine postcards.

Delight your valentine with cupids, hearts, demure damsels and heartfelt sentiments in the inimitable Victorian manner. Delightfully nostalgic cards reprinted in full color from rare turn-of-the-century originals. Handy book format keeps cards clean and fresh until ready for use.
