**mr vincent flannery : Some thoughts on Grandfather Clocks: Large Format Edition.: (over 600 illustrations of clocks from round the world** before purchasing it in order to gage whether or not it would be worth my time, and all praised Some thoughts on Grandfather Clocks: Large Format Edition.: (over 600 illustrations of clocks from round the world:

0 of 0 people found the following review helpful. Four StarsBy Steven RobertsGood book

This is a special large format "coffee table" edition of the eBook, which has two (2) versions: PC/ laptop and Ereaders/Tablet. I update the file every now and then. If you want me to send you PDFs of extra pages, contact me

with proof of purchase. The PDF pages can then be pasted into the book.
