From Brand: Krause Publications : Standard Catalog of Chrysler, 1914-2000 before purchasing it in order to gage whether or not it would be worth my time, and all praised Standard Catalog of Chrysler, 1914-2000:

5 of 5 people found the following review helpful. Standard Catalog of Chrysler, 1914-2000By C. VincentA great resource with almost TOO much info to devote alot of print to each car. Lists production numbers, and brings back alot of memories. For having so many models, the book does quite well. Also, nice histories of each Chrysler brand, incl DeSoto, Eagle, and Imperial. Lots of pictures of just about every car listed.I recommend it as a great overview of Chrysler's development.0 of 0 people found the following review helpful. You will not find a source with more product data ...By BrentYou will not find a source with more product data than the "Standard Catalogue of-" series. A book of this magnitude has to be written by many experts though, and some include more data than others.0 of 0 people found the following review helpful. Five StarsBy Ray Crombachjust what i wanted

Priced in up to six grades of condition, this illustrated guide to Chrysler covers the years from 1924 to 2000 and presents a comprehensive listing of all models, including engineering specifications and factory pricing for the original models.
