**From Brand: Krause Publications : Standard Catalog of German Coins: 1501 to Present** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Standard Catalog of German Coins: 1501 to Present:

1 of 1 people found the following review helpful. German Coins By C. David Pope, Jr. This updated Catalog ranges for 1500s to today. It is a great resource book with written descriptions, estimated values, and many photos of coins. It is a must for a collector of German coins. 1 of 1 people found the following review helpful. Five Stars By Richard Morlock very good

From the worldwide leader in world coin books comes the first reference material of its kind, with five centuries of German coinage in a single volume! This essential book will include more coin images than ever before—including many minor coins—and cover states that did not exist after 1601. Other features will include: Cross-referencing to

specialized literature to aid in identification Additional data on mint officials and mintage figures gained from available Mint reports A brief overview of German monetary history by author N. Douglas Nicol Revised market values based on actual dealer offerings and auction results spanning the 12 years since the release of the second edition Look for the Standard Catalog of German Coins, 1501-present, 3rd edition from trusted numismatic booksellers.

About the AuthorGeorge S. Cuhaj is a former cataloger for both Stack's Auction House in New York and the American Numismatic Society, and also serves as editor of the Standard Catalog of World Paper Money series.N. Douglas Nicol of Pennsylvania and Oxford, England, is an internationally known expert in world coins, particularly German states.
