1 of 1 people found the following review helpful. Missing some countries By NormanZ For example, if you look for currency from Papua New Guinea, you will find the country named but no listings. PNG has had several currency issues since 1975, but none in the catalog. If you check New Guinea, you find one example only. On the other hand, The Germany's are nearly fully covered and from interesting and satisfying. Just understand when you buy this that you may not find what you are looking for unless it's a country with lots of issues. I think the editor could do a more thorough job in coverage of notes. 0 of 0 people found the following review helpful. Happy with this book! By Lainey
