John Schwartz, Scott Lindquist : Standard Guide to Small-Size U.S. Paper Money (Standard Guide to Small-Size U.S. Paper Money 1928 to Date) before purchasing it in order to gauge whether or not it would be worth my

time, and all praised Standard Guide to Small-Size U.S. Paper Money (Standard Guide to Small-Size U.S. Paper Money 1928 to Date):

2 of 2 people found the following review helpful. Great starter bookBy Buy"erColored photos so you can compare to the money in front of you. Great descriptions. Full of information. Great book if you're just learning.2 of 2 people found the following review helpful. must haveBy Chris W.very handy when you are pricing paper money. a good starting point when doing so; obviously professional grading is the preferred, but hey, you gotta start somewhere! high quality pictures inside to compare yours with what the book has listed, and is easy to find your denomination and year inside the book.0 of 0 people found the following review helpful. Good valueBy John R. OkersonWhile this is not the latest edition of this title and the internal pictures are in black white, it fully met my needs. The price was right too!

This reference, designed for the specialist and dealer, offers the most complete data to be found anywhere for small-size currency, organized and listed by specific series, including accurate population figures for each. The book also contains detailed tutorial information to guide the collector. * Largest size images allowed by law * Latest U.S. banknotes with new security devices and colors described * Completely analyzed and updated pricing * Most up-to-date census for all U.S. small-size currency * Comprehensive glossary of terms and more detailed information than you will find anywhere else
