This book is worthless unless you collect dinner plates and you want to view a black and white picture with little information about it. It did not cover any art pottery and provided 2 pages in color. What a ripoff of a reference book.1 of 1 people found the following review helpful. Old but greatBy MichaelThis book is not up to date but definitely helpful with identifying older Stangl pieces, I like it because it can be a good resource .0 of 0 people found the following review helpful. Four StarsBy R.E.L.VERY HELPFUL AS I COLLECT STANGL

Readers will rely on this definitive Stangl Pottery reference for facts, figures and essential background information. Detailed history, lines listed alphabetically, glossary, and rundown of matching services/dealers round out this volume. Includes a library of pottery shapes and corresponding numbers.
