Geoffrey T. Carlton : Star Wars Super Collector's Wish Book, Second Edition before purchasing it in order to

gauge whether or not it would be worth my time, and all praised Star Wars Super Collector's Wish Book, Second Edition:

0 of 0 people found the following review helpful. Five StarsBy michael w. lockegood book. lots to find now!0 of 0 people found the following review helpful. Perfect for collectors looking for pricesBy MeningitusHard cover, pages glossy and have ever single star wars product imaginable. Things I didn't even know existed. Includes great photos which is a huge plus, the organization is appropriate in terms of the layout. There are closeup photos of variations. Great price, ease of purchase through . Product came undamaged - i'm an amateur collector and i plan on keeping this book since i'm not buying anything new0 of 0 people found the following review helpful. A great checklist for all the stuff that we fansBy Sergio pescadorA great checklist for all the stuff that we fans, but not obsessive ones would never buy, nonetheless are happy to see

This second edition of the largest Star Wars collectibles reference book ever produced lists over 30,000 items! Individual values are provided for every piece, making appraisals of any size fun and easy. 14,000 color photographs appeal to collectors, dealers, and fans of the Saga. New in this edition is expanded international coverage for vintage collectors, combined with thousands more listings for U.S. and international releases from 1976 through Episode II. Action figures, trading cards, Micromachines, lunch boxes, comic books, dishes, clothing, furniture, posters, marbles, food packaging, autographs... Over 500 individual categories and 1,000 manufacturers are organized in an easy-to-use directory style format. Over a quarter of a century of collectible history is represented. The Star Wars Super Collector's Wish Book is the ultimate collecting reference. Discover it's power today.

Completely unique, there is no other book available that is so beautifully produced. -- The Antiquer, August 2002This large book shows all the fun things that are being collected. -- Antique Collectibles Monthly, July 2002This new book will help collectors realize the value of this movie phenomena. -- The Busy Bee Trader, 2002
