**Warman's : State Quarters 1999-2009 Deluxe Collector's Folder: District of Columbia and Territories, Philadelphia and Denver Mints (Warman's Collector Coin Folders)** before purchasing it in order to gage whether or not it would be worth my time, and all praised State Quarters 1999-2009 Deluxe Collector's Folder: District of Columbia and Territories, Philadelphia and Denver Mints (Warman's Collector Coin Folders):

12 of 12 people found the following review helpful. State Quarter's Coin Collector Folder By Grey Ghost-45 This is a great product that is not only easy to use, but appears to be of lasting quality. If I was going to alter the design, I would

consider moving the informational pages to the very back in their own area, so as not to interfere with viewing and coin determination. I might also include a tips pages for how and where to find some of the harder to find minted quarters. As an example, I am finding it hard to find a "P" mint quarter from New Mexico. Information regarding quantities minted by each mint would be helpful and whether or not they are all in circulation would help also. 1 of 1 people found the following review helpful. Watch out -- you need to collect the territories too! By Tim Frisk A very fun collector's folder, since not only do you need to find all the 50 state quarters, both Denver and Philadelphia mint marks, but also you have to find the quarters from 2009, the territories. This proves to be a challenge, since a couple of these have become relatively scarce. Much fun! 0 of 0 people found the following review helpful. Five Stars By A. Jones Received quickly and well made. Coins fit perfectly.

There are coin folders and then there is this deluxe State Quarter folder. From the rich red, white and blue background to the breathtaking center spread of coin slots--120 in all--this folder is worthy of this caliber of coins. In addition to a slot for every coin in the series, there is a space for both the Philadelphia Mint and Denver Mint issues. Larger in size than the average, this folder also includes the date each state entered the union, and key facts about the state. This is a great gift for teaching children about their state and the country's currency.
