Ms Marilyn Celeste Morris : Storm Warning: Where Mother Nature Clashes With Human Nature before purchasing it in order to gage whether or not it would be worth my time, and all praised Storm Warning: Where Mother Nature Clashes With Human Nature:

What will happen when a fully-fueled bomber from the Air Force base just outside a large Texas city, piloted by a woman named Rory Calhoun, is flung by a fierce tornado into the county's largest, busiest shopping mall? Begin the day with the mall manager, his assistant, the security officer, and Howard The Weatherman, whose predictions are always uncannily accurate, and in this case, deadly. We follow the characters above and many of the mall's shoppers and store owners. Who lives and who dies?
