Tactical selections made simple By Daniel C. Larsen If you like knives and cutlery, you cannot live without this volume! Fantastic Deal ---- You should buy one of these -- it's neat !! XLNT Tranzaxion! Would buy again! Rating AAAAA+++++5 of 5 people found the following review helpful. Great Resource but Hard to Find By Inca Orchid After reading various reviews on how useful the information in this book is and how hard to find I decided to look for an electronic alternative. I found the e-version on goggle(sic) play books. The price was extremely affordable. This review is intended to describe how very useful I found the material to be. Bob Terzuola is an extraordinary knife maker and designer. His designs are used today by some of the best knife makers. I also wanted to

share my discovery that even this expensive and very hard-to-find book CAN be acquired by us regular guys. I am NOT advertising for goggle(sic) but people should know that this information is available. Hope this helped someone!

Tactical knives are the hottest things on the cutlery market right now. Everybody wants one. Now every hobbyist can have the skills to make his or her own custom tactical folding knife. Step-by-step instructions and outstanding photography guide the knifemaker from start to finish. Knifemaker Bob Terzuola has been called the father of the tactical folding knife. This book details everything from the basic definition of a tactical folder to the final polishing as the knife is finished. There is also a chapter on timesaving tips all knifemakers can use.
