I like that it has the local festivals listed, we plans to visit a bunch next year. The book is a little outdated in regards to listed restaurants. We live in the Chicago area and a handful of the listed restaurants have since closed. The selection of recipes is lackluster. If you want a reference for fairs and food festivals you should definitely get this, for anything else I can't recommend.0 of 0 people found the following review helpful. Just fineBy AnonymousI bought this book for one recipe specifically, and it is there, but the book has a good resource and fun read beyond that. It is useful, too, for Midwest traveling and exploring. Nice photos as one would expect from Midwest Living.0 of 0 people found the following review helpful. Loved it!By MO galThis book is awesome...as I ordered a used copy and got a good deal, I won't complain about the 3 pages of recipes missing! This book has some great pictures and useable recipes and I enjoyed the text, as well! I grew up on a farm and a lot of these recipes are new takes on old faves!

Join Midwest Living® magazine's Dan Kaercher as he eats his way across the twelve states of the Heartland, exploring their bountiful harvests and food traditions—and sampling signature dishes along the way. Some stops are well marked on the map; others are hidden gems. All are recommended for their fantastic flavors and distinctive character. Meet innovative chefs from renowned restaurants as well as the personalities behind the counter at the local neighborhood cafe. Come along to the produce auction and talk shop with the farmers who raise the crops. Learn the ethnic origins of the region's favorite foods and try wild variations on old-time favorites. But this trip isn't all about eating—you can choose sides in the fried chicken wars of Kansas, watch brewers at work in Wisconsin, tour a vinegar museum in South Dakota, learn the legend of Norwegian lutefisk in Minnesota and much more. Dan also provides practical information to help you plan your own gastronomic adventure. Can't make the trip this year? Take advantage of the mail-order listings in each chapter, read about quirky food-related fairs and festivals, and warm your own kitchen with the 101 recipes in this book. If you love the Midwest, you'll appreciate Dan's passion for life in the Heartland. And you'll never again wonder where your next good meal should come from! Whether you seek sophisticated dining or down-home fare, dig in—you're guaranteed to love every Taste of the Midwest.

About the Author Dan Kaercher is editor-in-chief and founding editor (1987) of Midwest Living, the premier periodical about Midwest cities, suburbs, and small towns and Midwesterners' lifestyles. He lives in Urbandale, Iowa.
